

# 13L

## Protected Access

Product Code:

### 5115XXXX

*Please note the last four digits denote the specific aperture type and lid colour.*

Our Sharpsafe containers are specifically designed to enable the safe disposal of clinical sharps and minimise the risk of associated injuries. Protected access offers extra peace of mind for patient safety, the additional protective shield prevents hands from entering the aperture. Ideally suited for high use areas and areas where children are present. The barrier also discourages non-sharps being disposed of in the containers, ensuring proper disposal and lowering associated costs.

Our 13L container is designed for high volume areas, such as A&E, wards and phlebotomy clinics. The wide horizontal aperture allows for the safe disposal of larger sharps equipment and surgical instruments. Available with different colour lids for easily identifiable waste segregation. Products come with a range of compatible accessories for increased stability, security and safety.

Sharpsafe's new 5th Generation containers launched in 2022 and were the world's first full range of sustainable single use sharps containers. Engineered using ultra low carbon footprint recycled material showing our commitment to championing change.

#### Product Certification

ISO 23907-1:2019	✓
UN3291	✓
BSI Kitemark	✓

#### Site Certification

ISO 9001 - Quality Management	✓
ISO 14001 - Environmental Management	✓
ISO 45001 - Occupational Health & Safety	✓

#### Product Details

Size:	13L
Usable Capacity:	10.5L
Usable Volume:	85%
Weight:	721g
Fill Line Height:	278mm
Autoclavable:	Yes
Autoclavable Conditions:	134°C
Product Dimensions (mm):	353 x 292 x 195 (HxWxD)
Aperture Dimensions (mm):	210 x 65 (LxW)
GTIN:	5056271505466
Lot/Batch Number:	Not Applicable
Expiry Date:	Not Applicable

#### Features and Benefits

In-Mould Label	✓	Latex Free	✓
Temporary Closure	✓	Low Carbon Footprint Material	✓
Permanent Closure	✓	Leak Resistance	✓
Four Click Assembly	✓	Disconnection Features	✓
Fill Line	✓	Closure Shield	✓
Protected Access*	✓	Semi Translucent Lid	✓
Single Use	✓	Carry Handle	✓
Different Lid Variations**	✓	Puncture Resistant	✓
