

Clinisafe Cardboard Clinical Waste Container

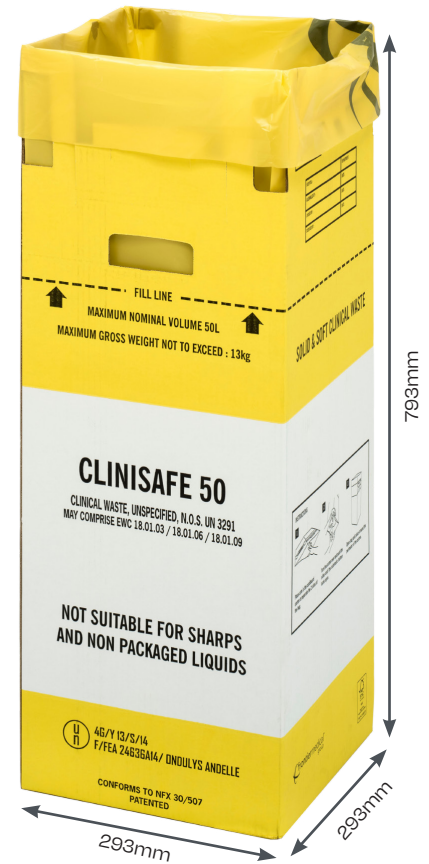

Product Code:

22001001

The Clinisafe range of Cardboard Clinical Waste Containers is constructed from recycled cardboard and contains an integral polyethylene liner containing ties for closure.

The environmentally friendly, lightweight design allows the Clinisafe Cardboard Clinical Waste Container range to be delivered folded flat prior to use, therefore reducing transport costs and minimising on storage space.

Clinisafe Cardboard containers are not suitable for sharps disposal.
