# 7L

With DUAL PROTECT **PRO**™

Product Code:

## 5112-5430

*Please note the last four digits denote the specific aperture type and lid colour*

The Sharpsafe® 7L container is ideally suited for sharps disposal in medium use areas and ideal for acute settings.

Offering industry leading features such as the new Dual Protect Pro™, the container is designed to encourage horizontal fill to maximise capacity. The new container design has a 13% greater capacity than the previous model.

Combined with the low carbon footprint recycled material in the base, this container supports carbon reduction goals within healthcare settings.
